Dear Friends of Student Performance Music,

The Iowa City Music Auxiliary is a parent volunteer organization whose mission is to support the participation of 5th-12th grade ICCSD performance music students. ICMA helps cover or supplement many costs, including transportation to festivals and contests, instrument repairs and uniform cleaning.

You can help us continue our mission by participating in one or more of the following ways: make a tax-deductible donation, become the Music Auxiliary representative for your student's music director, and/or attend monthly meetings and give input on future events.

Thank you for supporting ICCSD music students.

Most sincerely,

Deborah Wagner
2016-2017 ICMA President
